RESPONSE TO RESTRICTION REQUIREMENT

This correspondence is in response to an Office Action mailed July 22, 2005 setting forth a written restriction requirement. This response is being timely filed within the shortened statutory period set for response.

In the Office Action, the Examiner stated that the application contains claims directed to two patentably distinct species of the claimed invention, including Species I relating to the tablet dispenser of Fig. 1 and Species II relating to the tablet dispenser illustrated in Fig. 5. The Examiner required election of a single species for prosecution on the merits and identification of the claims reading upon the elected species.

Applicants elect Species I for examination, and identifies claims 1-15, and 31-39 as reading thereon. The election is made without traverse.

Application No. 10/617,102
Reply to Office Action of July 22, 2005

Prompt examination and allowance of this application is respectfully requested.

Respectfully submitted,
